

The Pant-n-Purr Inn, WSMR

Lodging

The home away from home....The Pant-n-Purr Inn is a newly renovated, state of the art, climate controlled facility. We have 6 large state of the art indoor/outdoor kennels that allow your furry family member the most comfortable living quarters possible. With our indoor play area, your best friend will have lots to do during their stay here with us.

After taps, a quiet lights-out atmosphere will sooth your pup to sleep.
